Good afternoon,

Please find attached a Revised Draft Schedule for the BNSF Haystack Site. As a reminder, the bold outlines indicate the baseline schedule, the light colors (purple and green) are upcoming or in progress activities, and the dark colors (purple and green) are activities that have been completed. Please note, the Ex. 5 Personal Privacy (PP) relocation has shifted to the right due to the extended review and approval period of the revised relocation package. In addition, the duration for the "Order and Fabricate Mobile Homes" was extended. On September 17, Arcadis contacted Clayton Homes in Gallup, NM and was told the earliest a home could be delivered, if ordered that day, was the end of December.

This reflects an aggressive schedule and assumes all comments on the relocation package will be resolved within one week and that delivery of the mobile home will not be pushed back any further, even though we may not order the home for a few more weeks.

We can discuss this more on one of our upcoming calls.

Thanks
Ali
